

Part-Time Workers Needed

Mann Packing Company, a pioneer in the fresh-cut produce industry and one of North America's leading suppliers of fresh produce to the retail, foodservice and wholesale markets is looking for **part-time employees** to join our plant production team.

We are looking for approximately 15-20 hard-working people to work as part of a team to **cut broccoli** and **produce party trays**.

- Four (4) hours of work 5-6 days per week
- Core work hours will be 8am-2pm. For example, you might be scheduled 8am-12pm, 9am-1pm, or 10am-2pm.

In order to be considered, you must be flexible with your schedule during these core work hours. You must also be dependable, meaning that you have excellent work attendance habits, and it would be helpful if you are familiar with a plant production environment. Our plant is a cold environment and the work is fast-paced, but this opportunity is a great way to earn extra income.

We are also looking for 6-10 candidates to work the night shift as part of our **Sanitation** crew. Core hours for this position are 2am-6am. The ability to lift 50lbs is required.

To apply, please do one of the following:

- Come by our plant at 1250 Hansen Street, Salinas, CA 93901 and complete an application.
- Stop by your local EDD office and complete an application.
- Send us an email at apply@mannpacking.com with your resume. Indicate whether you are interested in the day or night shift.

Students and semi-retired candidates are especially encouraged to apply.
